Tin Can Calendar® and Carrier Air Calendar® Roll Call Enrollment Form.

(An online version of this Enrollment Form is available on our book web site www.dlsearsbooks.com)

Courageous Calendars®, exclusive publications of D. L. Sears Books, commemorate U.S. Navy ships, sailors and aviation personnel in breathtaking full-color art and meticulous historical detail. Illustrator Thomas Calvin Houtz creates timeless images of storied scenes and exploits. David Sears, naval historian and author edits calendar dates and events. Tin Can Calendar® 2010 was the first of these calendars. Preparations for Tin Can Calendar® 2012 (the third edition) are now well underway as are plans for Carrier Air Calendar® 2012, a celebration of U.S. Navy flattops, aircraft and air crews. We are honored to include the names of U.S. Navy Tin Can, Carrier and Carrier Aviation Veterans—living and deceased—in the Courageous Calendar® Roll Calls.
